

## FRAPPATO Terre Siciliane IGT Bio

### Grapes

Frappato 100%

### Production Area

Sicilia

### Vinification

This Gergenti Organic Frappato, made by organically grown grapes, embodies the unique charm of Sicily. The grapes are handpicking in early of August. After the harvest the grapes are left to be macerated with their skins for 6 days. Manolactic fermentation takes place at controlled temperature in stainless steel tank. After that the wine is aged in bottle for another month.

### Description

Red ruby colour. The aroma is fresh, fruity with a scent of blueberries and red-berries. In the mouth this wine is medium-bodied, harmonious and smooth.

### Food pairing

Perfect as aperitif, light dishes and with white meat. Excellent with cheese and light starters.

### Serving temperature

18°- 20°C

### Bottle

Borgognotta Authentique

### Characteristics

Alcohol: 13 % vol.

Residual Sugar: 10 g/l
