Bacio della Luna

Gold Collection Valdobbiadene DOCG Extra Dry

Vinification

Bacio della Luna “Gold Collection” is a limited edition produced from our own vineyards in Valdobbiadene, Unesco World Heritage. Carefully selected and manually harvested in small boxes, the grapes are softly pressed to obtain the must. A long Charmat method of 3 months with a slow fermentation and an extended stay on the lees with frequent batonnages.

Description

Elegant and well balanced. A vivid straw yellow colour with greenish hints and a fine perlage. Characterized by a delicate bouquet of white flowers, fresh fruits and bread crust. On the palate it is fragrant, fruity and with pleasant balsamic notes. The perlage is creamy and velvety with a long savory finish.
