Primitivo Rosé Salento IGT

Vinification

"Primitivo Salento Rosato", is obtained thanks to Apulian grapes. After destemming, the grapes are gently pressed and left to macerate in the skins for about 2 hours to reach the rosy colour typical of this wine. Fermentation is done at a controlled temperature of 14-16 °C, lasts for about 10 days and selected yeasts are used.

Description

Elegant rose with a scent of: strawberry, passion fruit, watermelon and orange. In the mouth, it is full-bodied, fresh and clear, with an excellent level of acidity. The aftertaste is long and clean.

Food Pairings

Perfect as an aperitif, with fish and shellfish dishes, or simply alone.

**Nero di Troia,
Primitivo**
